JUDGMENT

The W.P. is filed on petitioner assuming that he is the lowest tenderer whose tender is rejected. However, Government Pleader submitted that petitioner is not the lowest tenderer and technical committee found petitioner's products unfit for use. In any case petitioner is entitled to have complete information about the details of award of contract to the successful bidder. There will be direction to the first respondent to provide the entire information required by the petitioner with regard to award of contract for the petitioner to challenge, if there is any ground for the same. The details should be furnished before finalisation of contract, if not already done, but first respondent can proceed with the processing of award of contract.
